[<rgv.nativeplantproject@gmail.com>](mailto:rgv.nativeplantproject@gmail.com) **By June 30, 2024.**

*Plant Propagation Grants and Biology/Environmental Studies Scholarships will be awarded at 7pm on September 24, 2024 in Weslaco, TX at Valley Nature Center, 301 S. Border, Weslaco. 956-969-2475.*

*This is the September meeting of the Native Plant Project. [nativeplantproject.org]*

*Recipients will be asked to attend in person, if possible, to receive their award.*

***Native Plant Propagation Grant** recipients will be asked to submit a summary of their propagation success at the May 2025 meeting of the Native Plant Project. You may bring examples of what you have grown or perhaps a short PowerPoint showing the progress you have made.*

*Members of the Native Plant Project actively collect seed from native plants. If you need a source of seed, please contact Mrs. Mild at the email address below.*

*Please direct any questions regarding this application process to [<rgv.nativeplantproject@gmail.com>](mailto:rgv.nativeplantproject@gmail.com)*

**Before saving and submitting your completed application, please add your last name to the file name.**

Also, please save a copy of the completed application for yourself, just in case any problems arise.

Thank you! We look forward to young people working to protect our environment and especially our native plants.
