

Due no later than April 30, 2025.

Native Plant Project Application

Native Plant Propagation Grant (for high school or college students)

Your Name: (Last, First, Middle Initial)

Street Address:

City, State, Zipcode:

Email Address:

Phone:

High School or College which you are attending, or plan to attend.

The goals of the Native Plant Project (of Deep South Texas) concern native plant diversity of this region.

We promote their study, propagation and use in landscaping.

See our website for more information about us: [www.nativeplantproject.org]

To be considered for a **Native Plant Propagation Grant**,
please list the tools or materials which you need and the approximate cost of your project.

Volunteer/Community Service:

If you have volunteer experience promoting, teaching about or revegetation with native plants, please list several examples of such activities you have participated in.

Year	Activity	What group were you volunteering for?

Do you have work experience related to native plants? If so, please provide approximate details below:

Date of Employment	Place of Employment & Supervisor	Type of Job	Average # of hrs. worked per week

Please email at least one letter of recommendation from a teacher, professor, supervisor or employer to: r.gv.nativeplantproject@gmail.com > **By April 30, 2025.**

Personal Narrative:

Write a personal narrative, highlighting any important facts and information you believe the Native Plant Project Awards committee should know when considering your application.

Please include your Educational and/or Career Goals after graduation from High School or College.

Your completed application form should be sent to: [<rgv.nativeplantproject@gmail.com>](mailto:rgv.nativeplantproject@gmail.com) **By April 30, 2025.**

*Plant Propagation Grants will be awarded at 7pm on May 27th, 2025.
in Weslaco, TX at Valley Nature Center, 301 S. Border, Weslaco. 956-969-2475.*

This is the May meeting of the Native Plant Project. [nativeplantproject.org]

Recipients will be asked to attend in person, if possible, to receive their award.

***Native Plant Propagation Grant** recipients will be asked to submit a summary of their propagation success at a future meeting of the Native Plant Project. You may bring examples of what you have grown or perhaps a short PowerPoint showing the progress you have made. If you would like to sell plants you have propagated at one of our meetings, that can be arranged.*

Members of the Native Plant Project actively collect seed from native plants. If you need a source of seed or cuttings, please contact us at the email address below.

Please direct any questions regarding this application process to [<rgv.nativeplantproject@gmail.com>](mailto:rgv.nativeplantproject@gmail.com)

Before saving and submitting your completed application, please add your last name to the file name.

Also, please save a copy of the completed application for yourself, just in case any problems arise.

Thank you! We look forward to young people working to protect our environment and especially our native plants.
